OBJECTIVE

Aspiring AI Engineer and Data Science enthusiast with hands-on experience in machine learning, NLP, model deployment, and full-stack development. Seeking internship opportunities to leverage analytical, programming, and problem-solving skills in developing scalable AI solutions.

EDUCATION

National Institute Of Technology Warangal

Btech-2027

- CGPA: 7.58

Resonance Junior College

2023

- Percentage : 96.3%

Montessori Residential School

2021

- CGPA : 10.0

SKILLS

Programming Languages : Python, Java, JavaScript, SQL, HTML, CSS

Web Development : React js, REST APIs ,Express.js , Node js ,FastAPI, Flask, API Integration, Git.

AI/ML : Machine Learning, Deep Learning, Feature Engineering, Model Training & Evaluation, Data Preprocessing ,Generative AI ,Neural Networks.

AI/ML Libraries & Frameworks : NumPy, Pandas, Scikit-learn, TensorFlow (Basic), PyTorch (Basic), OpenCV, Dlib, Librosa, Matplotlib

Data Science & Analytics : Exploratory Data Analysis (EDA), Data Visualization, Statistical Analysis, Data Cleaning

Core Skills : Data Structures & Algorithms, Problem Solving, Analytical Thinking ,OOPs, CN.

PROJECTS

1.AI Chatbot Platform (GENAI)

(Try it here) [🔗](#)

- Built MERN AI chatbot reducing response latency by 30% and supporting real-time conversations with OpenAI APIs.
- Implemented **secure authentication** using Google OAuth 2.0 and JWT-based session management.
- Designed a backend proxy architecture to **protect API keys**, manage user chat history, and improve security.
- Stored and managed user-specific data efficiently using MongoDB.

2.PresenceAI

(Try it here) [🔗](#)

- Reactive frontend architecture paired with a robust Flask landing layer.
- Leveraging FaceRecognition and Dlib for high-fidelity facial biometrics.
- Utilizing Resemblyzer and Librosa for unique student voice signatures.
- Developed AI attendance system achieving 95%+ facial recognition accuracy.
- Advanced neural networks recognize every student's face from a single class photo, making attendance instant and accurate.
